Istanbul

Dear World Design Organisation Members,

I'm writing this letter To support Sertaç Ersayın's candidacy for WDO President.

As we are the organiser of **IDW (Istanbul Design Week)** since **2005**, We've developed and realised many projects with Sertaç Ersayın.

Sertac Ersayın has a deep dedication to the development of design culture in our local and international envoriment. He has focused on the sustainable development of design culture and had active roles in the raising awareness in design culture and profession by developing international relations beside his projects.

He has visionary skills and qualities that will help the development and the growth of the design wold.

We believe that as a tirelesly working leader Sertac Ersayın will add positive developements to the creative industries and the design World.

We're ready to create new projects and future collaborations under his leadership.

We believe that as a future President of WDO; Sertaç Ersayın will create great contrubution to the design World.

Best regads.
